Dear Friend,

Thank you for your interest in volunteering with the Friends of Ottawa National Wildlife Refuge. Volunteers play an important part in our support of the refuge.

Everyone can make a difference at Ottawa National Wildlife Refuge; schedules are flexible and a variety of skills are needed. Even if you only have a couple of hours a month, we can use your help. Are you a snowbird? Only in the area several months a year? Want to work indoors, outdoors, or from home? We need your help!

Volunteer opportunities include:

- Nature Store
- Special Events
- Social Media
- Press and Print
- Local Fundraising
- Grants

With only 8 employees, Ottawa National Wildlife Refuge managed over 10,000 acres and served over 344,000 visitors last year. The refuge relies on the Friends of Ottawa National Wildlife Refuge to accomplish their mission. The Friends group helps transport children to the refuge, compensate interns, purchase needed equipment such as the tour bus, host special events, secure additional land, and reach out to potential donors for projects at the refuge. The Friends group could not accomplish this without our dedicated volunteers!

Please take a moment to complete the attached form and return it by email, mail or drop it off at the refuge. This will let us know where your interests lie and what your availability will be. If you are interested in volunteering please let us know!

Thank you,

Aimee Arent
